

HOW TO PLAY

You can catch the ball in the air

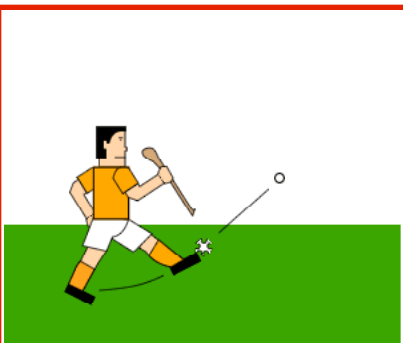

You cannot pick the ball off the ground with your hand, you must scoop it up with your stick

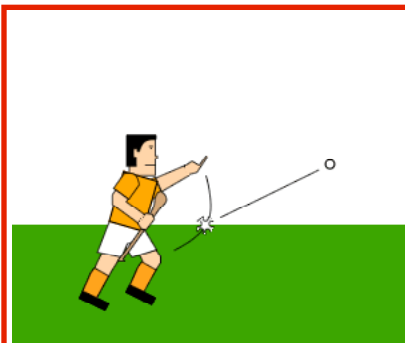

You can take three steps with the ball in hand, but then you have to do something with it. You can take the ball in your hand twice.

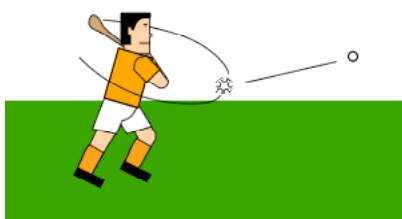

If you balance the ball on the end of your stick, you can take unlimited steps

One way of passing the ball is to kick it

You can pass the ball by slapping it with an open hand

The most common way to pass or shoot at the goal is to strike the ball with the stick either on the ground or in the air
